Communication from The Presidency

No. Twenty-Eight (28)

The High-Level Taskforce on COVID-19 Pandemic

Thursday, 16<sup>th</sup> April 2020

Juba, South Sudan

The High-Level Taskforce on COVID-19 Pandemic held its 26<sup>th</sup> Meeting on the afternoon of Thursday 16<sup>th</sup> April 2020 under the Chairmanship of **H. E. Dr Riek Machar Teny-Dhurgon**, the First Vice President and Deputy Chairman of the **High-Level Taskforce on COVID-19 Pandemic**.

The **High-Level Taskforce** was briefed on the Coronavirus (COVID-19) Situation in South Sudan, the Region and the Globe by the **Honourable Minister for Health**.

The **Honourable Minister** informed the **Taskforce** that 26 samples collected from contacts have been delivered to the Public Health Laboratory this morning and the tests are currently running.

This brings the total number of samples tested to 190. Plans are in progress to achieve a minimum of 500 samples tested per week. **South Sudan has four (4) confirmed cases.**

**The High-Level Taskforce directs** the Ministry of Health to take necessary actions to divide Juba into 5 zones, and in each zone, the selected clinics be instructed to collect samples up to maximum 100 cases per week per a zone (based on case definition). This is in order to achieve its minimum testing capacity of at least 500 samples per week. This is going to give assurance that there are no active COVID-19 cases in the community or otherwise.

**The High-Level Taskforce** commends the Management of Trinity Energy LTD for contributing towards the Fight against COVID-19 as follows;

**1- Medium Term Pledges;**

- a- Three (3) ventilators,
