Number of contacts currently under follow-up	153
Number of contacts under follow-up reached today	134
Cumulative number of contacts finished 14-day follow-up	9071
Cumulative number of contacts followed	9593

The Ministry of Health is conducting tracing of individuals who had contact with the COVID19 cases. The government urges the public to strictly observe the rules of social distancing and other public health measures declared by the President of the Republic of South Sudan and High Level Task-Force. Report any suspected case to nearest health facility or call to **toll free number: 6666**. Continue to observe the instructions of Health Authorities particularly washing hands regularly with water and soap; maintaining physical distance from other people (at least keep 2 meters (6 feet) distance between two individuals) and mandatory facemask or cloth face coverings in public.

**\*Note:** On 7<sup>th</sup> December 2020, Ruweng Administrative Area (RAA) confirmed its first case of COVID-19; however, this case wasn't reported to the data through lab. Therefore 1 positive case of RAA has been added to the Cumulative number of cases.
